

**Remark:**

According to the direction of the office action dated 10/07/2005, a revised list of pending claims is attached to provide proper identifications. Claims 42-43, 45-47 are amended so that the terms used in these claims are in line with the combination and subcombination requirements. Claims 42 to 47 are also withdrawn and should be reconsidered when the subcombination related elected claim is allowed.
